NOTE: Write any 6 questions- .All carry equal marks. Question number 1 is compulsory.

Q1. Mr. Kumar is the branch manager of XYZ Bank and he has been having a very good reputation among his colleagues, peers, subordinates and at the head office he commands a very good respect. Sometimes his wife gets help from the General manager of the bank to get her daughter admitted in schools whenever transfer takes place in between the academic year. He is a man of perfection and his customers were too happy about him. His normal working time shall extend beyond the normal working hours of 8 pm of that branch. May be during account closing and at special occasions he might sit even upto 12 at night. On one such day few people along with guns entered and shot the watchman and took away 15 lakh cash and some gold ornaments worth 15 lakhs by breaking the lockers etc. He also had injury since he was also shot at his right shoulder by the burglars. He was back to duty after 1 month hospitalization and when he resumed duty, to his surprise, he saw a letter from the bank authorities that why he shall not be blamed for the losses and part of the losses should be covered up from his salary and from other receivable emoluments.?
